S. Comments:Trainer B. Wakefield stated no specific instructions issued to the rider other than to seek cover and attempt to race midfield from its wide barrier being the gelding's first start over this distance. Rider B. Grylls said her mount raced keenly early and she was unable to place it in a position with cover and elected to race near the tail of the field. She added that when the pace steadied near the 1300m the gelding settled and from that point on she had a trailing position, however she was forced to race wide after leaving the 600m. The explanation was noted.

S. Comments:Stewards questioned apprentice Fancourt regarding her riding of the gelding in today's event, which was not the horse's established racing pattern. She indicated that her instructions were to ride the gelding in a negative fashion in the early stages and attempt to have it settle back in the field, however her mount raced keenly and she allowed it to improve to the lead. She added that she attempted to restrain her mount however the horse continued to race keenly and she was satisfied that the gelding was travelling well in front. Stewards noted the explanation.

Wiggins reported that he would like to have obtained a position midfield, however the horse was inconvenienced by another runner shortly after the start and could not muster sufficient speed to remain in a midfield position and as a result settled near the tail of the field. He added that the horse after obtaining clear running in the home straight was doing its best work over the concluding stages.

Disappointing performance - jockey stated despite being obliged to race 3 wide without cover throughout the gelding's performance was disappointing. Added early stages he attempted to press forward to obtain a position outside of the leader however, the gelding failed to respond which resulted in him being obliged to race 3 wide and was of view gelding may have come to end of current preparation. Trainer's rep disappointment in performance will wait how it recovers before making decision on current prep. Vetted - no abs

S. Comments:Had to be restrained from heels near the 600m. Jockey was questioned regarding the tactics he adopted in the early stages. He stated that it was always his intention to race in a forward position either outside the leader or with a trail behind the leaders, however after beginning reasonably well, he was unable to cross runners to his inside and as a result he eased to took a trailing position. The explanation was noted.
