At a subsequent inquiry stewards found that HORA SEXTA shifted in marginally making slight contact with TORBAY, which in turn shifted in and bumped UNION. After HORA SEXTA relieved the pressure TORBAY continued to lay in on top of UNION further crowding that runner. Stewards could not be satisfied that the actions of J. Byrne (HORA SEXTA) or C. Whiteley (TORBAY) were careless and as a result took no action.

S. Comments:Began awkwardly. When asked to comment on the performance of NAVELINA, App. T Wolfram stated that the filly travelled well in the early and middle stages of the event but failed to quicken as expected when placed under pressure leaving the 500m. App. Wolfram noted that NAVELINA was having its first start in 6 weeks and in his opinion is better suited over further distances than that of today's event. A post-race sample was taken. Trainer advised that filly would now be sent for a spell.

S. Comments:Leaving 800m steadied when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.

She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Tnr said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.
