In Running: /3/3 S. Comments: Stewards questioned J. Dann regarding the horse's improved performance in comparison to its most recent start. Mr Dann indicated that in his opinion the horse's form had been good prior to last start, where on that occasion the horse suffered minor interference near the 900m and was obliged to race wide throughout and was forced wider on a number of occasions after passing the 700m. In his view, these factors had significantly affected the horse's overall performance and he had expected a more forward showing in today's event.

S. Comments: Steadied when tightened for room approaching the 100m. Rider questioned re overall performance - unable to offer any explanation but was very dissappointed in performance. Trainer - dissappointed in performance. Noted mare returned to the enclosure with a poor post race recovery and as such he was of the view that it would take some fitness benefit from this start as it was its first start after a short let up and had not trialled leading into the race.

S. Comments: When questioned regarding her mount shifting away from the rail from the 500m, Ms T. Harrison explained that in today's track conditions she was of the opinion that in the straight the going was superior away from the rail. She said with this in mind she discussed this with trainer T. Gollan who instructed her to endeavour to shift out from the 500m to allow the filly to race on what he considered to be the better section of the track.

S. Comments: Stewards afforded J. Byrne the opportunity to comment on the performance. He stated that from the wide barrier he was instructed to push forward and as a result had to do a significant amount of work in the early stages to find a position and as a result did not finish the race off. He added that in his opinion the gelding would be better suited to racing off the speed with cover.

S. Comments:Inquiry re riding tactics adopted. Rider J. Lloyd stated he was not issued with any real instructions other than the horse began awkwardly at its previous start and raced back in the field. However after beginning well today and with no real speed in the early stages the horse travelled comfortably in the lead and he allowed his mount to hold that position without being pressured. Stable representative Miss M. Seymour confirmed that no specific

instructions were given and stewards noted the explanation.
