win when it carried the minimum weight. Further, Mr T Walshe undertook to

report to the stewards in the days subsequent should anything amiss become

apparent with the mare. A post race veterinary examination of the mare revealed

| S. Comments:Carried wider rounding the first turn.J Lloyd stated that he rode with vigour in the early stages with the intent of settling in a forward position. His mount failed to muster early speed and settled in a three wide position worse than midfield until the 1000m where it obtained a position with cover two wide.His mount travelled comfortably in the early and middle stages however failed to sprint when placed under pressure from the 600m and was disappointing. J. Lloyd added that his mounts form suggests it does not appreciate rain affected going and it was asked to carry a large weight today. |               |                 |                                      |

When asked to explain the performance, which was below market expectations, jockey G. Colless explained that he was asked to be positive on the horse today, which after beginning well was able to lead, however once leaving the 600m the horse was under pressure and then commenced to compound in the home straight and was most disappointing. Tnr was at a loss to explain the poor performance. Vetted, no abnormalities. Must trial to stewards' satisfaction. | 54 Glen Colless    | (5) 57.5 R60    | \$16,000 \$2.50 \$4.20 \$4.20 |

S. Comments:When questioned regarding the performance of the gelding jockey P. Hammersley stated that his mount travelled strongly outside the leader in the

early and middle stages however failed to sprint strongly rounding the home turn and weakened in its run to the line. P. Hammersley added that he is not convinced the gelding is able to run out a strong 1250m on rain affected going. A post race veterinary examination of the gelding did not reveal any abnormality.

S. Comments:near 700m became unbalanced after being bumped. Questioned re performance - rider stated travelled well in early and middle stages, however failed to respond when asked to improve passing 600m and weakened noticeably. Post race vet exam revealed no abnormalities. Trainer stated gelding had come to the end of its prep and would be sent for a spell.

| S. Comments:Rider explained that in the early stages he was caught extremely wide and therefore approaching the first turn he elected to restrain the colt to find a position closer to the rail. He said that not long after, the horse dropped the bit and became detached from the main body of the field. He added that on straightening he was concerned there was something amiss with the colt and for this reason he did not persist in riding it out. He added that not long after the post the horse made an abnormal breathing noise.
