S. Comments:Trainer questioned re improved performance of the gelding compared to its last start at Doomben on 26 September 2015. Mr Gough stated on that occasion the gelding was ridden similarly and was only beaten by some 5 lengths in a strong class and was confident today of an improved performance.

At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance. Trainer reported that the filly suffered a hindleg injury subsequent to this start and was sent for a spell. | | | |

S. Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

Approaching first turn happy to surrender lead to runners outside her but they were appeared content to remain to her outside which left her in the lead. Trainer advised instructions to be handy with cover from inside barrier. Stewards advised App that she had erred in riding her amount along for a considerable distance in early stages which resulted in the gelding settling in the lead in contrast to its established racing pattern. | | | |
