| S. Comments:Began awkwardly and lost ground. Inconvenienced when taken wider near the 1000m. Questioned re riding rounding home turn and early in straight - rider stated intention to follow runner forward of him to outside of field but his mount commenced to lay in upon straightening so elected to shift back to inside. Whilst laying in horse was improving into race so allowed it to continue to shift into the fence instead of straightening it to angle for a run which became available 3 horses off the fence. Post race vet exam revealed laceratino to hind leg consistent with being galloped on. When questioned as to performance rider stated that horse performs well when able to improve into the race from the 600m. Intereference suffered near 400 prevented it from doing this and was unable to quicken again following interference.

S. Comments:Began awkwardly attempted to buck shortly after start. Rider questioned re performance - stated that despite attempting to buck in early stages filly travelled well during middle stages. Added rounding home turn attempted to follow STARANTE, eventual winner, into the race however filly failed to respond as expected and was disappointing. Rider noted filly made abnormal noise, which indicated it may have choked down during the race. Warning placed racing manners. Trainer confirmed would add tongue tie before next start.

He said that not long after, the horse dropped the bit and became detached from the main body of the field. He added that on straightening he was concerned there was something amiss with the colt and for this reason he did not persist in riding it out. He added that not long after the post the horse made an abnormal breathing noise. Trainer reported the horse was found to have slight bruising to its off front heel. | | | |

S. Comments:Shifted out under pressure in the home straight. Questioned re tactics - rdier stated no specific instructions issued. Last 2 starts obliged to restrain to find cover at rear of field from wide barriers. His intention to obtain handy position from more favourable barrier but when field began on terms he pressured the gelding so as not to be caught 3 wide in the early stages. Gelding then commenced to overrace which resulted in him leading which was not his intention. Explanation noted.

| S. Comments:Apprentice S. Eilbeck reported at scale her mount was inclined to lay out under pressure in the home straight. When questioned regarding the improved performance, trainer G. Cousins advised that following its last start on 21 December 2014 he felt the horse was immature and as a result spelled the mare. He added that today it was having its first race start for 11 months and attributed this to the improved performance. | | | |

| S. Comments:Inquiry app. A. Denby's riding over the final 600m, in particular not improving prior to the home turn when there opportunity to do so. App. Denby said she had specific instructions to improve to the inside of other runners and to keep the horse balanced around the tight track before pressuring it soon after straightening, which she did. Stewards advised apprentice Denby, bearing in mind the short straight at Kilcoy, that it would have been a better option to put her mount into the race earlier than she did on this occasion. | | | |

Raced greenly and leaving the 800m improved onto heels and hung out. The horse then continued to race greenly and hang out and was unable to be fully tested in the home straight, resulting in the rider being obliged to stop riding on a number of occasions. Trainer Mr B. Wakefield was advised that a warning would be placed on the horse regarding its racing manners. | | | |
