S. Comments: Questioned re tactics in settling forward - rider state previously ridden gelding positively out of barriers with intention of obtaining handy position. Today from wide barrier horse was slow to begin and rode it along in early stages to settle midfield. Passing 1200m concerned he was going to be caught wide so continued riding forward setle outside leader. Trainer stated gelding previously slow to muster speed early and had always instructed rider to ride postively early to obtain handy / midfield positions. Confirmed it was not his intention to lead today.

rider's opinion gelding failed to handle short back up. Trainer noted second occasion gelding had failed to handle quick back up. Gelding pulled up with some debris in near side eye which would be treated but post race vet exam failed to reveal any significant abnormalities.

Questioned re riding over final 100m and overall performance - rider stated intention to be handy but unable to muster necessary speed in early stages, forced to settle worse than midfield. Attempted to improve leaving 500 but failed to respond and proved dissapointing. Near 200m shifted in to obtain clear running but then had to steady from heels. Felt horse had then peaked on run so did not ride it out to end of race. Felt horse may have felt firm surface and might benefit with blinkers. Stewards afforded apprentice B. Grylls the opportunity to comment on the horse's performance. She stated that after being tightened for room shortly after the start the filly settled further back than she anticipated. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. S. Comments: Jumped away awkwardly and lost ground. Jockey A.Holt was questioned regarding his riding of the horse in the middle stages. He stated he had been instructed to settle the gelding back in the field and he attempted to find cover after leaving the 800m trailing WAR ENDS, however when that gelding did not improve guickly into the race he was obliged to shift wider on the track and, in his opinion, SIR MOMENTS peaked on its run after leaving the 200m. A post race veterinary examination failed to reveal any significant abnormalities, and a swab sample was taken.
