He recommended to connections that a tongue-tie be applied for future starts as he was of the view that the horse may have got its tongue back during the event. A post race veterinary examination revealed the horse to have a slow post-race recovery. A swab sample was taken.

S. Comments:A pre race veterinary examination revealed the gelding to have a loose tooth, however was cleared to race. Had a tendency to lay in under pressure whilst weakening and was obliged to check near the 200m after laying in on to the heels of SHREWVELON after laying in on to the heels of SHREWVELON, which shifted out under pressure. Miss R. Myers, rider of SHREWVELON, was reprimanded for failing to stop riding and straighten when shifting ground.

However, after beginning well the filly was able to obtain a position on the speed but was disappointing in its failure to finish the race off over the final 400m. Jockey McGuren was of the opinion that the filly would derive a fitness benefit from today's race. A post-race veterinary examination revealed the filly to have a slow recovery rate. Caught wide early so elected to restrain to obtain cover but was still forced to race 3 wide at the rear of the field for the majority. Gelding never travelled comfortably in middle stages and was disappointed with effort. S. Comments:When questioned regarding her tactics, particularly in the home straight when it appeared she had secured a run to the outside of STEAL A DIAMOND and then elected to go back inside runners at that time, apprentice B. Grylls stated that in her opinion the horse was not entirely comfortable on what she described as a softer surface out wide and as such she elected to shift back inwards where she felt was the better going, and when she did this the filly then finished the race off nicely. Stewards noted her explanation.
