S. Comments: Stewards guestioned D. Browne regarding his tactics from the 600m as this horse was held up from approaching the 500m until leaving the 200m. Jockey Browne explained that after passing the 600m he shifted off the fence and secured a position behind MAXWELL, which he believed was a chance in the event and which he felt would take him into the race in the home straight. Jockey Browne agreed that his mount was travelling quite well during this section of the event and indicated that near the 400m he had considered shifting back to the inside, however that position quickly closed shortly afterward

S. Comments: Had to be steadled and checked off heels approaching the 1300m when tightened for room and tehn shortly after overraced when the pace slackeneed. When questioned regarding the tacitcs jockey J. Byrne explained that he steadied after being slightly hampered in the early stages he got shuffled back to a rearward position with the slow tempo. He added that at a point passing the 800m no opportunity arose for him to improve on the back of another runner and therefore he elected to wait and not expose his mount too early. He added that gelding ran on well over the concluding stages.
