Added gelding generally performed well at Gold Coast over 1300m and as such hopeful of a forward showing today.

S. Comments:Rider questioned re tactics and overall performance. He said after being fractious in the barriers the filly led the event without being overly pressured. He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Thr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear. Vetted, no abnormalities.

S. Comments: Stewards asked jockey L. Cassidy to comment on the filly's overall performance. He indicated that the horse was unable to muster sufficient speed in the early stages and he was obliged to pressure the horse throughout in order to hold its position. He added that the horse was doing its best work over the concluding stages and would be better served stepping up in distance when able to secure a position closer to the speed.

Mr Edmonds was advised that if there was anything amiss with the mare on return to his stables he should inform stewards otherwise the mare will have to trial.
