S. Comments:Rider questioned re disappointing performance -stated gelding overraced whilst there was a fast tempo in early stages and may be better suited over a shorter distance than that of today. Stable representative agreed with rider gelding did not run out strong 1600m and indicated intention to give gelding a short freshen up. Vetted - found to be short striding in front.

Ms Harrison stated that her mount travelled strongly outside the leader in the early stages however failed to respond strongly to her urgings approaching the 400m and weakened in its run to the line. Ms Harrison added that she believed her mount felt the effects of being first up today on a soft track over the latter stages of the event and in her opinion would take benefit from today's event.

A post race veterinary examination of the gelding did not reveal any abnormality.

He stated that, having its first for the stable, he had been instructed to ride the gelding quietly from its wide barrier and settled at the rear of the field, however he was disappointed with the way the gelding finished the race off, adding that it was inclined to lay in under pressure. Trainer T. Edmonds confirmed the instructions to ride the gelding quietly. Mr Edmonds was advised that should these instructions change, he would be expected to notify the stewards of a change of tactics.
