S. Comments:When attempting to secure a position to the inside of weakening runner near the 450m, the mare made contact with another runner, which was racing to the inside of the mare, causing the other runner to shift out slightly at the same time as another runner shifted in, causing the mare to clip the heels of another runner and lose ground. In considering this incident, stewards could not be satisfied that any rider had displayed carelessness and took no direct action.

S. Comments:Stewards considered an objection lodged by third placegetter against gelding, alleging interference in the early part of the home straight. After taking evidence from the parties concerned viewing official video films and taking into account their own observations it was established that shortly after straightening third placegetter established a run to the inside of gelding, which then shifted in abruptly and hampered third placegetter. Bearing in mind the margin of a short half head and the manner in which both horses ran to the finish, stewards upheld the objection and amended the placings.

Comments:Stewards questioned trainer relative to the seemingly improved performance. Trainer explained that he had removed the tongue control bit and at its most recent start when ridden by an apprentice gelding settled further back than expected and for this reason he instructed the senior rider engaged today to take up a more forward position. He added that in his opinion the gelding appreciated racing on the dirt track at which it is trained. The explanation was noted however trainer was advised that Stewards expected gelding to now hold its form and race consistently.	55 Michael Cullen (5) 55 R58	\$14,000 \$9,100 \$12	In Running: //
