She stated that she was instructed to lead on the filly, however the filly failed to show sufficient early speed and as a result settled further back in the field than expected and added that the filly found the line strongly and would be better suited to racing over longer distance.

S. Comments:When questioned, App. T Brooker stated that she had been instructed to improve into the race passing the 600m and then shift wider to obtain clear running in the home straight. App. Brooker added that for this reason she elected to shift to the outside of NIGHTLY AIM upon straightening. App. Brooker further added that once obtaining that position she had difficulty riding the gelding out over the final 300m as it was inclined to lay in at the same time that NIGHTLY AIM was shifting out under pressure.
