He indicated that at Eagle Farm on 9 November the gelding raced greenly and he expected a forward showing at the horse's most recent start on 25 November at Ipswich, however the horse performed poorly and he felt that the firm racing surface on that occasion may have been a contributing factor. He also indicated that the addition of blinkers may have been a factor in today's performance. Raced greenly in the home straight. Trainer P. Duff was asked to explain the horse's improved performance.
