S. Comments:Bumped on jumping. When questioned regarding the performance of the mare Jockey stated that his mount pulled hard in the early stages and passing the 800m he elected to stop fighting the mare and allow it to travel how it was comfortable. Jockey stated that rounding the home turn his mount failed to respond to pressure in any capacity and was very disappointing in its run to the line. A post race veterinary examination of the mare failed to reveal any abnormalities.

S. Comments:On return to scale second placegetter lodged an objection against the gelding alleging interference near 800 metres. After taking into account their submissions and after viewing the films Stewards established that after second placegetter was slow to begin Jockey rode his mount along and after being crossed near the 800 metres it commenced to overrace and hung out badly from that point. When Stewards were comfortably satisfied that gelding was clear to cross runners to its inside and that second placegetter hung badly as result of its own racing manners, Stewards dismissed the objection.

S. Comments:After being crossed in the early stages, commenced to race keenly. When questioned about her riding rounding the home turn, in particular as to how the favourite and eventual winner was able to obtain a run to her inside. Jockey said that, although she was aware that she had the favourite to her inside, her mount was already under pressure at that point and was inclined to lay out under riding, resulting in her shifting wider on the track. Jockey was advised to ride her mounts in a competitive manner at all times and not leave herself open to query.

S. Comments:When questioned re her riding of the gelding App said that she had been instructed to ride her mount back in the field early and ensure she got to the outside of runners. She added that after beginning fairly her mount settled in a rearward position however when she moved away from the running rail it then commenced to overrace and made a long sustained run around the field and assumed the lead where it commenced to hang out rounding the home turn. Trainer confirmed instructions issued however agreed with the stewards that App should have made a greater effort to restrain in the early stages.
