S. Comments:When questioned as to the disappointing performance Jockey V Johnston stated that the mare failed to travel comfortably at any stage and was inclined to hang out for the majority of the race. Jockey Johnston was of the view that the mare did not appreciate racing on today's firm surface. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Trainer subsequently confirmed that mare had jarred-up.

S. Comments:Rider stated gelding never travelled well after suffering interference coming to first turn and was under pressure. Rider added gelding did not respond to his riding in the straight and as a result he did not persist in riding it out to the line. Trainer informed stewards the gelding had worked well leading up to today's event and could not offer any excuse for the disappointing performance. Trainer undertook to report back to stewards should anything be amiss with the gelding. A post race veterinary examination of the gelding failed to reveal any significant abnormality.
