S. Comments:When questioned as to the performance, Jockey M McGuren stated that based on the filly's previous form he anticipated today's distance of 900m being too short. However, after beginning well the filly was able to obtain a position on the speed but was disappointing in its failure to finish the race off over the final 400m. Jockey McGuren was of the opinion that the filly would derive a fitness benefit from today's race. A post-race veterinary examination revealed the filly to have a slow recovery rate.

S. Comments: When questioned re the performance, rider stated his mount settled in a rear position and travelled comfortably. Added that passing the 600m. Added that his mount failed to run out the 2400m. Mr B. Hill stated he is of the opinion that the gelding appreciates softer tracks than those today and it does not run out a strong 2400m. Mr Hill added he would drop the gelding back in distance at its next start. A post race vet exam revealed it to have a mild case of the thumps.

S. Comments: Questioned re tactics - rider stated bearing in mind small field instructed to obtain handy position or in the event of a strong tempo, to settle further back in the field. Gelding appeared to slip on jumping away resulting in it losing ground at the start after which he conceded he should have placed the gelding under more pressure to obtain a position outside SAINT HUGO. Stewards agreed that rider had erred in lack of vigour in early stages but bearing in mind is relative inexperience as an apprentices did not believe his error was culpable under the rules.
