S. Comments:Trainer explained that horse, which has been leading at its most recent starts, had gear changes effected which included blinkers off. As the horse had been racing in the lead and not finishing its races off the intention was to settle in a one out one back position with cover. After travelling a short distance in today's event the horse dropped the bit which allowed REDSSON to cross it resulting in the horse settling further back than anticipated.

S. Comments:Slow to begin. Steadied from heels nearing 800m. Inquiry re performance. J. Orman said he would have liked a more more genuine pace, but after being slow out tried to restrain to gain cover and cross closer to the rail, but the horse raced keenly near the 1000m and was obliged to race 3 wide, then after improving rounding the home turn behind Stonecast his mount started to lay in on straightening and had to pull the whip through to the off side and felt this allowed STONECAST to sprint quickly away. He said the horse finished the race off fairly and may benefit from a step up in distance.

S. Comments:Jockey Cassidy was asked to comment on the performance of the horse. He indicated that after travelling well in a favourable position behind the lead, the horse did not let down as expected in the home straight. He felt this could be attributed to the horse having its second start this preparation and carrying 59.5 kilograms on a rain-affected track. He indicated that in the circumstances he was not entirely disappointed with the overall performance. A post race veterinary examination indicated that the horse had a slower than normal post-race recovery. A swab sample was taken.
