S. Comments:Stewards questioned J. Byrne in relation to the horse's disappointing performance. He said that the horse travelled well throughout the race, however on a number of occasions during the event wanted to change legs. He could offer no explanation for the performance. A post-race veterinary examination revealed no significant findings. Trainer R. Heathcote was at a loss to explain the poor performance and advised stewards that he would consult with his stable veterinarian and notify stewards should anything come to light that may have had an effect on the performance. A swab sample was taken.

S. Comments:Steadied from heels leaving the 900m. Blundered at the 600m. Rider reported that the race was not run to suit in that during the middle stages the pace steadied and he was obliged to steady from heels. He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.

Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. Was unable to restrain, despite his efforts, to obtain cover during middle stages. refer full report.
