Powell advised that after beginning well the horse obtained its customary leading position, however he added that when pressured during the middle stages of the event by another runner, his mount commenced to overrace and, in his opinion, failed to run out a high pressure 1200 metre event tonight. Stewards noted the explanation.

S. Comments:Raced wide in the early stages until the 1000m where it was permitted to stride forward to the lead. Inquiry into improved performance. Trainer G. Blades indicated at the horse's most recent start the race was run at a very slow pace and developed into a sprint home which he believed did not suit the horse. He felt the mare benefitted from the step up in distance of today's event and was more suited to being permitted to stride forward in the middle stages. The explanation was noted.
