He said when approaching the home turn the gelding overraced and he was obliged to steady from heels near the 600m and again near the 500m. S. Comments:Stewards questioned jockey N. Day as to whether when passing the 600m he had opportunity to improve outside the eventual winner BECKHAM in an attempt to hold that horse in a position on the fence. He indicated he had attempted to do so however the opportunity was open to him only for a short period and when he attempted to improve shortly after, BECKHAM shifted to a position 4 wide, and he therefore elected to steady and shift back to the inside in an attempt to improve into the race. After viewing the patrol footage, stewards accepted the explanation tendered.

S. Comments:When questioned regarding the apparent improved performance of the gelding trainer Ms D. Murphy stated that the gelding was fourth up today from a spell and racing over a suitable distance. Ms Murphy added that at its previous start the gelding was obliged to improve up the rail inside runners down the straight and it does not appreciate racing in this manner. Ms Murphy stated that today the gelding appreciated being eased to the outside of the field down the straight and having clear galloping room.

at the top of the straight she had difficulty obtaining clear running and was reluctant to improve between runners as she was of the view that the horses

forward of her were racing greenly at that stage and she was held up for the majority of the home straight and unable to fully test her mount.

He said that in his opinion it may not appreciate racing over 1800 metres and the fact that it had another runner to its outside which pressure for the lead from the 1000 metres until near the 400 metres may have been detrimental to its poor performance. S. Comments:When questioned re the disappointing performance, the rider advised that whilst the gelding was able to obtain a forward position through the event, he was unable to obtain this position as comfortably as in its previous starts. He added that the gelding travelled reasonably throughout the event, however when placed under pressure rounding the home turn failed to respond to his riding as he had anticipated and proved disappointing. He added that in his opinion the horse may not have been entirely comfortable on the heavy racing surface today.

App. Hearn added that it was not his intention to have the horse lead on that occasion as the mare's usual pattern of racing is to settle in the second half of the field. He stated that the same instructions were issued today which from a wide alley he was able to comply with resulting in the mare settling towards the rear of the field.
