S. Comments:When questioned regarding the improved performance, trainer M. Hemmings advised Stewards that he had been working on improving the gelding's racing manners, as it had hung out and raced ungenerously at its two preceding starts at Toowoomba, and he felt the improved performance was largely due to the gelding racing more tractably today. He added that in his opinion the gelding also benefited from racing on its home track today.

She added that this was the gelding's third start back from a spell and the extra distance today also suited the horse. Stewards noted the explanation.

S. Comments:Questioned re tactis - jockey stated from wide barrier intention to position at rear of field. In early stages elected to race to outside of CASTA LA CAT in early stages. Noted mare resented being ridden aggressively and as such was reluctant to place it under undue pressure in early stages. Passing 800m became concerned with amount of ground lost on remainder of field and commenced to ride mare along, at which point it improved into race and then finished the race off well. Jockey agreed with stewards and conceded he had erred in early stages.		In Running: /6/7 In Running: /4/4 In Running: /13/12
