S. Comments:Rider questioned RE: The horse's seemingly improved performance. He stated previous start was over a shorter distance than today's event, the gelding was not suited by the quick early pace and was unable to take up a forward position, however the horse found the line strongly over the concluding stages. He added that with the step back up in distance today in a smaller field, the gelding was able to take up a forward position and travelled comfortably throughout, which he believed attributed to the improved performance. Trainer G. Cornish agreed with jockey Taylor's assessment.

S. Comments:Raced in restricted room for a short distance shortly after the start. Trainer questioned regarding tactics whereby the horse led tonight's event, which is in contrast to its recent racing pattern. He said from the wide barriers at its 2 recent starts, it settled more rearward, however from the better barrier he expected the filly to be closer in the run, but was somewhat surprised to see it leading. He said the step up in distance from 1050m to 1200m tonight also assisted the filly in settling in a more forward position. Stewards noted the explanation.

S. Comments:Rider reported that the horse had sweated up badly prior to the race and travelled well throughout the event however did not respond to his riding from the 400m and became unbalanced in the home straight. He felt that the horse had failed to handle the soft racing conditions. Trainer agreed that the horse did not handle the soft racing conditions and was of the view that the horse would take a fitness benefit from today's event.

Appr Tilley said that he was told to work home from the 600m but as he shifted out from a trailing position another runner also raced forward outside the leader placing him in a three wide rider position. He then drifted further out in the home turn as he felt that the going was better in the centre of the track. Explanation noted.
