S. Comments:Tightened for room at the start and lost ground. Apprentice A. Fancourt reported that after suffering interference at the start she was obliged to settle further back than anticipated, however when the tempo increased from the 800m the gelding failed to quicken as anticipated and finished the race off only fairly. A. Fancourt was of the opinion that the gelding may not run out a strong mile. Trainer J. Zielke confirmed the stable was somewhat disappointed with the performance and felt it raced a little flat today and would look to start the horse over 1400m next start.

S. Comments:When questioned regarding the tactics adopted in the early stages, in particular whether there was an opportunity to maintain a forward position rather than restraining and settling further back, jockey C. Whiteley stated that after beginning well, when he attempted to maintain a forward position, STRIDE OF PRIDE, which was racing to his inside, shifted out, forcing him wider. He therefore was of the view that he was going to be caught racing three wide and therefore elected to restrain and obtain a position with cover in a midfield position. Stewards noted his explanation.

S. Comments:When questioned regarding the improved performance of the gelding from its most recent start, Trainer B. Currie advised that the horse was not suited to the firm track conditions at Warwick at its last start. He added that the horse, which is a Class 2 runner, was beaten by an established open class horse, and for that reason he was not entirely disappointed with that performance. Mr Currie also advised that, prior to its most recent start, the gelding's form was sound and he therefore expected a forward showing in tonight's event.

S. Comments:When questioned regarding the tactics adopted in the early stages, in particular whether there was an opportunity to maintain a forward position rather than restraining and settling further back, jockey C. Whiteley stated that after beginning well, when he attempted to maintain a forward position, STRIDE OF PRIDE, which was racing to his inside, shifted out, forcing him wider. He therefore was of the view that he was going to be caught racing three wide and therefore elected to restrain and obtain a position with cover in a midfield position. Stewards noted his explanation.

He indicated that the horse always appreciates a heavy track and performs best on rain affected conditions, with its only other 2 wins being on heavy tracks. He added the removal of the butterfly bit for today was also, in his opinion, appreciated by the gelding, and indicated with the significant step back in class from its most recent start he had expected a forward showing.
