S. Comments:Stable representative Chris Wearne was questioned regarding the horse's improved performance. He indicated that the horse was caught wide at its most recent start and had blinkers removed for that event. He added that the horse benefited from the change of gear to put blinkers back on the horse and that the stable had expected a forward showing today.

Stewards accepted the explanation, however, advised apprentice Goldsbury that in similar circumstances she should be mindful of her positioning in races as the option she took at this point resulted in her mount being held up for clear running rounding the home turn when ALL OUR WIVES commenced to weaken.

Williams regarding her riding in the early stages where it appeared she had opportunity to ride vigorously to cross runners to her inside in order to take up a position closer to the lead and to the fence, which is the established racing pattern for her mount. Apprentice Williams indicated she had been instructed to attempt to obtain cover and pre race she was of the view that there were horses to her inside, namely ITALIAN BELLA and A TOUCH MORE, which would have raced forward and she would have been able to steady and settle behi \$8,000 \$400 \$7
