Then inclined to lay out rounding the home turn and down the straight and weakened on its run to the line. Felt filly failed to run out the 1400m journey.

S. Comments:Raced wide throughout. When questioned regarding the disappointing performance, apprentice R. Williams reported that after racing ungenerously in the early stages, she elected to shift wider and when placed under pressure the gelding did not respond to her riding. Apprentice Williams also reported that the gelding's breathing seemed laboured in the later stages of the event. A post-race veterinary examination revealed no abnormalities.

The horse underwent a veterinary examination and was cleared to take its place in the field. Then found to have blood in its near-side nostril post race, which was attributed to the contact in the barriers. Stewards took no action against the horse. When attempting to be steadied approaching the 800m, the gelding overraced until leaving the 700m.

Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. When pulling hard approaching the first turn shifted out away from heels, forcing another runner wider. Stewards asked Jim Byrne to comment on the disappointing performance of the horse. He indicated that when overracing in the early stages his mount also made heavy contact with another runner near the 800m and continued to overrace in the middle stages. He felt that this had a detrimental effect on the overall performance and could offer no further explanation.
