S. Comments:Rider explained that the horse was tardy to begin, which did not concern her as she had been instructed to ride it in a rearward position. She said the horse seemed to travel well throughout the run, however from the 700m when the tempo of the race quickened, her mount was left flat-footed and despite her urgings was unable to sprint with the remainder of the field. She added that as a result, VODNIK was unable to make up ground and finished one-paced in the run to the line and was most disappointing. Trainer said the gelding does not appreciate racing on firm surfaces. Vetted, lame near fore.

S. Comments:Questioned re tactics - rider stated instructions where to lead. She became concerned with fast tempo leaving 1000m and attempted to steady at which point mare failed to relax. Mare had raced in similar pattern previously and proved to be competitive, as such, given the way it had weekend today, it may have come to the end of its prep. Whilst noting explanation rider was advised that she should have made a greater effort to restrain mare in middle stages. Trainer advised mare would be sent for an immediate spell.

He explained that he was instructed to settle the horse midfield with cover if possible, but from the wide barrier, after travelling a short distance, rather than be caught wide throughout, he elected to restrain to the rear of the field. Jockey Cahill added that BERGDORF worked to the line strongly and finished the race off well. S. Comments:Inquiry re performance. Rider stated that after travelling well in the early and middle stages of the race the filly failed to respond to his riding from the 400m and proved disappointing. He added that he advised connections the horse may be better suited to ridden more conservatively in an endeavour to have finish its races off. A post race veterinary examination revealed an abrasion to the off hind pastern and a poor post-race recovery.
