S. Comments:When questioned as to the improved performance, Trainer B Guy stated that he had not been disappointed in the gelding's last start at

Doomben where it set a fast early sectional which resulted in it weakening over the concluding stages. Mr Guy added that the gelding's best performances

have been over today's distance of 1400m and due to the cancellation of recent meetings due to weather conditions had been unable to place the gelding in

1400m races. His explanation was noted.

He also added that the mare may not have handled the impost of 59 kgs today and also the removal of blinkers may have been a contributing factor to its poor performance. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

S. Comments:Steadied when tightened for room approaching the 1000m. Rider questioned re performance - began only fairly and after suffering interference shortly after the start was caught wide so elected to ride forward to take up a position outside the leader. Notwithstanding this he was disappointed in the filly's performance as it failed to respond to his riding in the straight. Trainer was of the view that filly may have worked too hard when ridden forward to lead which had a detrimental effect on its ability to finish off the race. Vetted - no abnormalities found.

S. Comments:Began awkwardly. Overraced in middle stages and near 700m had to be steadied from heels. S. Comments:Eased when tightened for room near the 800m. When questioned G. Colless stated that his mount was

slow to begin and he rode it along with vigour in the early stages.He added that approaching the home turn he was unable to improve when held uphowever upon obtaining clear running at the

entrance to the straight his mount failed to respond.M. Dunn stated it was the filly's first

start for his stable and he had expected it would be very competitive.He advised he would add blinkers and remove the t/tie before stepping up in

distance.Vet exam revealed a poor recovery rate.

STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift

wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable

expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

S. Comments:Trainer advised change of tactics to race further back then previously. Began well and settled in a handy position. Questioned re: change of tactics - trainer stated that gelding had not been finishing its races off when ridden on the speed so intentino was to obtain cover in an effort to have it finish off its races better. Rider stated after beginning well he was obliged to race further forward than anticipated and then near 900 runner inside of him shifted out forcing him to race 3 wide from that point on.
