Masuda advised that from the wide alley he had been instructed to take up a position at the tail of the field with cover. He was able to fulfil these instructions and was asked to position the horse wider on the track to obtain an uninterrupted run to the finish. He added the filly responded well from passing the 400m and was doing its best work over the final 200m. He that it would be better suited to races over 1300m and 1400m.

S. Comments:Began awkwardly. Overraced in the early stages and got its head up on a number of occasions. Rider M. Cahill was questioned regarding the tactics adopted in the race. He stated the riding tactics were left up to him, however after jumping he elected to take hold of the filly and settle at the rear of the field from the wide barrier. He added however the filly never settled and pulled very hard throughout the event. He advised connections it would be better suited racing in a handier position.

S. Comments:Rider stated, after beginning awkwardly, the mare never travelled throughout the event, was inclined to overrace and got its head up in the early and middle stages. He added, in his opinion, the racing pattern today of making ground from back in the field had not been to Peggy Jean's advantage and it may not have backed up from its unplaced run at Flemington on 8 March 2015. A post-race veterinary examination did not reveal any abnormalities.
