S. Comments:Leaving 800m steadied when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.

S. Comments:Slow to begin. When questioned regarding the performance, A Cavallo stated the gelding never handled the soft track conditions at any stage and was then inclined to lay in under pressure in the straight. A post race veterinary examination revealed no abnormalities. Stable representative D Fischer concurred with the thoughts of A Cavallo that the gelding had not handled the soft track conditions and advised the stable would now look to avoid rain affected tracks in future.

S. Comments:When questioned regarding the performance of the gelding Jockey Hellyer said that the travel today and the previous day may have had an adverse effect on the horse. He said that in his opinion it may not appreciate racing over 1800 metres and the fact that it had another runner to its outside which pressure for the lead from the 1000 metres until near the 400 metres may have been detrimental to its poor performance. A post-race veterinary examination did not reveal any abnormalities.

S. Comments:Connections advised that the horse would be ridden in a forward position if circumstances permit, which is in contrast to the horse's last two starts when it raced back in the field. After being slow to begin, the horse raced in the second half of the field. Had to be steadied to avoid heels a short distance after the start. Bumped near the 400m and had to be momentarily steadied. Inconvenienced leaving the 100m and had to be steadied from heels.
