S. Comments:When questioned regarding the apparent improved performance of the gelding trainer Ms D. Murphy stated that the gelding was fourth up today from a spell and racing over a suitable distance. Ms Murphy added that at its previous start the gelding was obliged to improve up the rail inside runners down the straight and it does not appreciate racing in this manner. Ms Murphy stated that today the gelding appreciated being eased to the outside of the field down the straight and having clear galloping room.

S. Comments:Questioned re: disappointing performance - App specifically instructed not to restrain gelding in early stages. When placed outside leader in early stages the gelding commenced to race strongly so he allowed it to improve forward to the lead. Felt that work mare did in early stages along with heavy conditions had a detrimental effect on its performance. Trainer was of the view the gelding failed to handle the track conditions but undertook to report any abnormalities should they come to light in the days subsequent to the race. Post race vet exam revealed slow recovery rate.

However after passing the 1100m, the gelding commenced to overrace and despite his efforts he was unable to get the gelding to settle and as a result raced outside the leader, CHARGE ACCOUNT.
