S. Comments:Began awkwardly. Compounded in the home straight. When asked to explain the performance, which was below market expectations, jockey G. Colless explained that he was asked to be positive on the horse today, which after beginning well was able to lead, however once leaving the 600m the horse was under pressure and then commenced to compound in the home straight and was most disappointing. Tnr was at a loss to explain the poor performance. Vetted, no abnormalities. Must trial to stewards' satisfaction.

S. Comments:Rider q'd re poor performance-stated that the horse raced in a forward position as expected however never felt comfortable with the shifty track conditions. Added that over the final stages of the event, whilst pulling up, the horse made an abnormal respiratory noise. Trainer q'd: stated that on return to scale that the gelding had removed its tongue from its tongue tie after leaving the enclosure. Stated that the gelding performs best with its tongue tie and in his opinion is an essential part of the gear. Added-he would add a tongue control bit to the horses gear for its next start.

S. Comments:Apprentice B. Grylls was questioned regarding the tactics adopted in the early stages when she allowed her mount to stride forward to the lead, which was in contrast with its most recent starts. She stated that after beginning well she elected to stride forward to the lead as she was of the view that she would be caught wide. Trainer J. Wallace stated that he had instructed Grylls to settle in a handy position with cover but was satisfied that after beginning well that Grylls allowed the horse to stride forward to the lead. Trainer reported the horse may be sent for a spell.
