Banks was at a loss to explain the performance. A post race vet examination, which was beaten 39.3L, did not reveal any abnormalities. Trainer was advised must barrier trial.

S. Comments:Questioned re: performance - rider state intention to obtain forward position however, shortly after start when it was apparent there would be a strong tempo she elected to settle just worse than midfield. Horse then travelled comfortably in early and middle stages but responded only fairly when urged along leaving 800m and was one paced in the run to the line. In rider's opinion filly failed to run out the distance under the top waight of 59kg. Post race vet failed to reveal any abnormalities.

S. Comments:When questioned regarding the horse's performance, apprentice B. Derbyshire stated that as she was going to be trapped three wide shortly after the start and unable to clear runners to her inside, she elected to ease and race behind those horses, however after shifting wider in the straight and asking the gelding to improve, the horse failed to let down as expected and in her opinion was disappointing. Trainer B. Andrew stated that he felt the gap between runs and today's heavy track may have had a bearing on the horse's overall performance. Stewards noted the explanations.
