Comments:Questioned re: performance - rider state intention to obtain forward position however, shortly after start when it was apparent there would be a strong tempo she elected to settle just worse than midfield. Horse then travelled comfortably in early and middle stages but responded only fairly when urged along leaving 800m and was one paced in the run to the line. In rider's opinion filly failed to run out the distance under the top weight of 59kg. Post race vet failed to reveal any abnormalities.
