S. Comments:Slow to begin, and then was tightened for room shortly afterwards.Held up for clear running from after entering the home straight until leaving the 300m. Jockey G Colless reported that after receiving interference out of the barriers he was obliged to ride the horse vigorously in the first 200m to take up a position, and when held up in the early stages of the home straight raced greenly and despite this finished the race off well over the final 200m.

S. Comments:Inquiry re tactics adopted. Jockey T. Bell stated the colt had been slow to begin at its previous start, which resulted in him racing at the tail of the field. He added that his intention was to obtain a position with cover today, however after beginning well from a wide barrier he allowed his mount to stride forward and obtain a position closer to the fence, which resulted in him leading today.

S. Comments:Began awkwardly and lost ground. Inconvenienced when taken wider near the 1000m. Questioned re riding rounding home turn and early in straight - rider stated intention to follow runner forward of him to outside of field but his mount commenced to lay in upon straightening so elected to shift back to inside. Whilst laying in horse was improving into race so allowed it to continue to shift into the fence instead of straightening it to angle for a run which became available 3 horses off the fence. Explanation noted.

S. Comments:Questioned re tactics: rider stated after beginning only fairly intention was to take up a handy position with cover. Due to slow speed in early stages placed 3 wide and attempted to improve to lead. However runner forward of him improved and as such he again attempted to obtain handy position with cover. Again was unable to when another runner improved to his inside and was obliged to race 3 wide without cover throughout. Stewards advised that he should have persisted with his attempt to obtain the lead instead of remaining 3 wide, given the slow tempo in the early stages.
