Lloyd stated that the gelding had a tendency to hang out throughout the race and never travelled comfortably at any stage and when placed under pressure in the home straight failed to run on and in his view was very disappointing. A post-race veterinary examination revealed mild lameness in the off foreleg, and a swab sample was taken. Trainer M. Dunn reported that the horse would now be sent for a spell. Mr Dunn was advised that he must produce a veterinary clearance for the gelding prior to its next start.

S. Comments:Jockey questioned tactics - from awkward barrier endeavoured to obtain cover as gelding overraced at previous starts. Added able to obtain a midfield position on rail. Further added rounding home turn attempted to shift out to obtain clear running but was held up in early stages of home straight at which point elected to shift in to secure clear running, resulting in being held up again between 200m and 100m. Trainer confirmed instructions and noted the gelding at its 2 previous starts was obliged to race closer to the speed than anticipated as a result of drawing wide barriers.

S. Comments:Questioned re performance - rider stated horse was fractious behind barriers, underwent vet exam and cleared to race. Rode with vigour early stages after slow to begin. Overraced between 1500m and 1100m. Failed to travel comfortably in middle stages. Commenced to improve into race rounding home turn but peaked on run over concluding stages. Trainer expected gelding to settle in forward position as does not appreciate racing towards rear of field. Failed to handle 59kg impost and raced on an inferior section of the track over final 600m. Post race vet did not reveal any abnormalities.

early if the pace was only steady. Rider said he was mindful of instructions and in the early stages when it appeared that the race was panning out in that

fashion, he thought that it in the best interests to improve three wide and position outside the lead passing the 1000m. He said when asked for an effort in

the straight, the horse only finished off fairly and he had recommended to consider giving the horse a brief break from racing to freshen it up.

S. Comments:Rider questioned re. tactics he stated the horse did not begin as it had in the past and after travelling a short distance felt he would not have been able to muster sufficient speed in order to hold the horse out which was racing to the outside. He therefore elected to take hold and, in his view, was satisfied that the horse was comfortable travelling with clear running, however he was forced wider near the 700m and LORD LONHRO did not finish the race off as he anticipated. Stewards will interview trainer G. Heinrich in the coming days regarding the tactics adopted.

He also added that near the 800m he had considered shifting the horse wider and improving outside the leader, however did not wish to expose the mare without cover too early in the event, and indicated the steady pace in the event had a detrimental effect on his horse's finishing effort as it failed to quicken entering the home straight.
