S. Comments:Hampered shortly after the start. Raced wide in the early stages until being restrained to obtain a position at the rear of the field with cover. When asked to comment on the performance, jockey S. Bogenhuber explained that after being caught wide and having to restrain to take up a position with cover at the rear of the field the filly was unable to race in its customary position and she felt that this, along with today's prevailing track conditions, contributed to the disappointing performance. A post race veterinary examination failed to reveal any significant abnormalities.

Questioned re tactics in setting fast tempo - rider stated instructed to obtain forward position if possible but not to place gelding under undue pressure in early stages. After beginning awkwardly had to ride gelding along in effort to obtain forward position which he was able to do passing the winning post on the first occasion in settling outside the leader. However when attempting to sit of the leader his mount commenced to over race and refused to settle despite his efforts.
