After travelling a short distance after start it was evident to him he would be unable to obtain a position with cover. Therefore when racing wide he elected to stride forward to comply with instructions. When striding forward he was of view runners to his inside were looking to improve and he made decision to improve quickly to obtain outright lead.

Jockey L Cheshire reported at scale that she noticed that its tongue was over the bit and that she recommended to connections to experiment with a tongue tie or a tongue control bit before the mare's next start. She added further that this may have contributed to the mare not running out a strong 1400m today. Trainer E Forrester reported to Stewards that the mare had returned after the race with a laceration to the near side hip and also with its tongue over the bit.

S. Comments: Knuckled on jumping away. When questioned regarding his riding of the horse, apprentice M. Murphy stated he had been instructed by trainer P. Facoory to lead and that he complied with those instructions, positioning in front near the 900m, and that from the 500m he attempted to place some pressure on the gelding in an endeavour to increase the tempo and hopefully gain a break on the rest of the field. He said he rode it similarly to what he did at the Gold Coast on 31 December when it won on that occasion. When questioned, trainer P. Facoori stated that his instructions were to lead and run
