S. Comments:Rider questioned re tactics upon entering home straight particularly as there was an opportunity to improve to the outside of ICE BUCKET - stated instructed not to expose gelding too early and to maintain cover for as long as possible as gelding only has a short sprint. Trainer confirmed instructions however after viewing video conceded it would have been a better option to come to outside at entrance to straight. Explanations noted.

S. Comments:When asked to comment on the horse's performance, R. Wiggins indicated that whilst the horse had difficulty securing clear running in the early stages of the home straight, it weakened over the concluding stages, which he felt could be attributed to the horse having its first start from a significant spell and would take improvement from the run. A post-race veterinary examination revealed no significant findings.

S. Comments:Rider questioned re tactics adopted - stated filly began well and elected to steady as he did not wish to be placed in a speed battle with other runners. However, when UMBERTO crossed him at 1100m he had intended to sit outside that gelding but was prevented from doing so and was forced to race behind the leaders until the entrance to the straight. Added in his opinion filly is looking for a further distance than today's 1350m and did not quicken as he had expected. Vetted - no abnormalities.

He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Tnr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear.
