He added that when he applied pressure rounding the home turn GOOD CATCH did not respond and was disappointing in its finishing effort. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

S. Comments:The start was delayed when the mare proved difficult to load. Jockey L Cheshire reported at scale that she noticed that its tongue was over the bit and that she recommended to connections to experiment with a tongue tie or a tongue control bit before the mare's next start. She added further that this may have contributed to the mare not running out a strong 1400m today. Trainer E Forrester reported to Stewards that the mare had returned after the race with a laceration to the near side hip and also with its tongue over the bit.

When questioned as to the tactics adopted, Jockey L Rolls stated that the gelding was slow to begin which resulted in him settling further back than anticipated. Jockey Rolls added that leaving the 800m he elected to shift out to improve as he was concerned that runners forward of him were not going to take him into the race. Jockey Rolls further added that in making this decision he was also mindful of his instructions that the gelding was not suited when asked to sprint quickly off a slow tempo.
