S. Comments: When questioned regarding the disappointing performance, Jockey J Morris stated that the gelding was able to lead as expected, however, failed to quicken when placed under pressure and he attributed this to today's prevailing track conditions. A post-race veterinary examination revealed the gelding to have suffered a minor laceration to its off hind cannon.

Rider questioned re disappointing performance - stated was intention to take up a forward position where the gelding failed to show any speed in the early stages despite his urgings. Added gelding commenced to weaken from 600m and again despite his urgings failed to finish the race off and proved most disappointing. Vetted - mild heat stress. Trainer advised barrier trial.

S. Comments:Riderquestioned regarding tactics. He said that two starts ago at the Gold Coast the horse was ridden in a more forward position as instructed. He added that at its last start the horse began awkwardly and lost ground, settling further back over an unsuitable trip. He further added that he was instructed to ride aggressively in the early stages to settle in a forward position. Trainer confirmed that instructions have been previously to settle in a forward position, however last start, due to circumstances, settled further back than anticipated. Stewards noted both explananations.

S. Comments: When asked to comment on the performance, L. He felt the horse may not have been comfortable in the rain effected conditions.
