Comments:Rider questioned re disappointing performance - explained that it was his intention to settle closer to the speed today however, after being crossed by runners to his outside was shuffled further back than anticipated. Added gelding somewhat disappointing in home straight. Noted mount raced without a bit lifter, which is part of its normal racing gear. Vetted - no abnormalities. Swab sample.

forced to race wide throughout at its last start at Ballina and at start prior at the Gold Coast was not suited by slow tempo. Noted gelding performs better on good tracks.

S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the

horse's poor performance today. Stewards noted the explanation.

S. Comments: When questioned regarding the horse's performance and his riding in the home straight, R. Fradd explained that when entering the home straight the gelding was inclined to lay in, which he felt was similar to its last start performance when it bled from one nostril and for this reason he was reluctant to overly pressure his mount over the concluding stages. Stewards advised jockey Fradd that he would be expected to report any matter that may have had an effect on a horse's performance so as not to leave his riding open to question.
