Wheeler expressed some disappointment in the performance of the gelding today. He added that he did expect the gelding to position closer in the run, however after failing to do so and then failing to run on at the finish was of the opinion that the gelding may not have handled today's racing surface.

 S. Comments:Stewards inquired into the performance of the horse. Trainer's representative Mr Michael Morrison was interviewed. He indicated following the horse's last start in January blood tests had been performed and prior to the horse being sent for a spell. Stewards adjourned the inquiry for a report of these blood tests to be supplied to stewards in the coming days. Stewards advised Mr Morrison that the horse would be required to trial satisfactorily prior to racing again as it had been uncompetitive in today's event. A post race veterinary examination reveal no abnormality.
