S. Comments:Trainer questioned re improved performance - explained mare disappointing in last campaign where it only had three runs before being turned out for a spell. This time in had trained on well at previous start, which was first up, was not disappointing noting mare only beaten three lengths on firm track. Added that second up today mare was fitter from previous run and with step up in distance, a hot tempo and todays soft track conditions were favourable for a better performance today. Added attributed form improvement to soft track conditions.

S. Comments:Began awkwardly, shifted out and bumped WE BUILT THIS CITY. Rider questioned re performance - noted mare having won a maiden at previous start was up in class today. Added passing 600m obliged to ride mare along, at which point it failed to respond as anticipated. Further added approaching 200m obliged to shift out to secure clear running after which the mare finished race off fairly. Given these circumstances rider not overly disappointed with performance.
