Tarrant indicated that he had been given no specific instructions, however did pressure the horse out of the barriers and was not surprised to have the horse show speed today as it was racing for the first time in blinkers and therefore he was satisfied to allow the horse to stride forward to the lead. Trainer S. Kendrick agreed that he had not given specific instructions, however

S. Comments:When attempting to improve approaching the home turn, was disappointed for a run between BETTER BROTHER and JIMMY NEUTRON, obliged to steady. Asked to comment on performance, App. J. Murphy stated the mare travelled fairly for majority of event and when asked to improve after passing the 600m, failed to respond to his riding. He further added although disappointed for a run passing the 400m and then had some difficulty securing clear running, when able to find clear running, the mare again failed to finish the race off as expected and in his opinion proved disappointing.

S. Comments:Slow to begin. Jockey Hellyer was asked to comment on the performance of the mare, which finished last. He indicated that the horse was disappointing in his opinion, however added that the horse was second up in today's event and has previously not had a good second up record, however could not add any further explanation for the performance. A post race veterinary examination failed to reveal any significant abnormality.

Picka Plum (NZ) 54 1, 15.60 LEN, 1-52.23 34.78

S. Comments:Raced wide in the early stages before being permitted to stride forward to a position outside the lead passing the 1100m. A post race veterinary examination of the horse, which weakened badly in the straight, revealed no abnormalities. Jockey M. Cahill indicated he could not explain the performance, which he considered disappointing. He felt the horse had travelled well until after being placed under pressure and then weakened badly in the final 400m. Stewards advised connections that the horse would be required to trial satisfactorily prior to starting again.

S. Comments:Raced wide throughout. When questioned in relation to the improved performance of the gelding, Trainer D Reynolds reported that he was disappointed with the horses performance at Clifton last start, where the jockey reported it failed to handle the track on that occasion. He further advised that the horses form prior to this was in his opinion satisfactory and based on the horses track work during the week he had expected an improved showing from the gelding today. Stewards noted the explanation.

The gelding then continued to lose contact with the second last horse despite Jockey Fraters efforts. Trainer T. Cowan confirmed instructions, however, expected the gelding to race more prominently.
