S. Comments:Slow to begin. Raced keenly in the early and middle stages. Below market expectation performance. Apprentice reported the gelding has a history of breathing issues and for that reason, in his opinion, the gelding overracing during the event was the major contributing factor to it failing to run on in the home straight. A post-race veterinary examination revealed the gelding to be making an abnormal respiratory noise. Veterinary certificate required prior to racing again.

S. Comments:Jockey N Callow reported that the gelding was reluctant to stretch out at any stage during the event and from the 1000m despite his urgings commenced to yield ground, and for that reason he elected to ease the horse out of the race at this point. A post-race veterinary examination failed to reveal any abnormalities. Trainer G Booth was advised that in light of todays performance, the gelding would be required to barrier trial to the satisfaction of stewards prior to next racing.
