She added when placed under pressure in the home straight proved disappointing. A post-race veterinary examination failed to reveal any significant abnormality at the time of examination.

S. Comments:Improved onto heels and had to be checked near the 750m. When questioned regarding the seemingly disappointing performance, jockey G. Geran stated that after having to be checked off heels near the 750m, the horse commenced to hang slightly and was immediately under pressure from that point which required him to ride his mount along from that point. G. Geran was unable to explain the performance other than the horse may benefit with the addition of blinkers and being placed over further ground. A post race veterinary examination failed to reveal any significant abnormalities.
