When questioned regarding the below market performance rider stated the mare settled back in the field as per usual racing pattern, however when placed under pressure leaving the 400 metres did not respond to her riding and in her opinion was disappointing. The horse underwent a veterinary examination and was cleared to take its place in the field. Then found to have blood in its near-side nostril post race, which was attributed to the contact in the barriers. Stewards took no action against the horse. S. Comments:At the 900m had to be checked when inconvenienced by another runner. Jockey was reprimanded for not giving sufficient room to runners on his inside approaching the 850 metre and advised to exercise more care. Jockey was also questioned regarding the reason he restrained his mount in the middle stages. Jockey stated his horse was resenting the kickback and he was trying to get his horse balanced up. Stewards believe he may have erred and advised him that he should endeavour to ride his mounts in a manner that will not leave him open to question.
