S. Comments:When questioned regarding the poor performance Jockey explained that the mare raced comfortably in the lead in the early and middle stages, however when asked for an effort prior to straightening for home failed to respond and weakened noticeably. A post-race veterinary examination did not reveal any abnormalities. Trainer was at a loss to explain the poor performance and undertook to advise stewards if anything was amiss with the filly in the days following the event. Trainer since reported that mare had pulled well and it was his intention to freshen the mare prior to its next start.

S. Comments:When questioned regarding the apparent improved performance of the filly, trainer explained that BONNIE BON BON resents racing in restricted room and this contributed to today's improved performance in that the filly was able to settle in a rearward position and was able to obtain clear running on the extreme outside of the field.

S. Comments:When questioned in relation to the gelding's seemingly improved performance in today's event as opposed to it's previous start when it raced ungenerously throughout, trainer attributed the improvement to the addition of a cross over noseband and lugging bit, which assisted the gelding to race more tractably today. After taking evidence from all parties and viewing the available footage it was established that near the 200m gelding shifted in and bumped second placegetter however bearing in mind the minor nature of the interference and the manner in which both horses ran to the finish stewards could not be comfortably satisfied that had the interference not occurred second placegetter would have beaten gelding and subsequently dismissed the objection.
