S. Comments:On return to scale Jockey lodged an objection against the winner alleging interference near the 800 metres. After taking into account their submissions and after viewing the films Stewards established that after mare was slightly slow to begin Jockey rode his mount along and after being crossed near the 800 metres it commenced to overrace and hung out badly from that point. When Stewards were comfortably satisfied that winner was clear to cross runners to its inside and that mare hung badly as result of its own racing manners, Stewards dismissed the objection.

S. Comments: Began awkwardly. When the pace slowed rounding the turn near the 900 metres improved to the inside of another runner and had to be checked then continued to over-race for some distance. Passing the 400 metres had to be steadied when momentarily crowded between runners. Following the race Jockey reported that the gelding had got its tongue over the bit.

S. Comments: After being crossed in the early stages, commenced to race keenly. When questioned about her riding rounding the home turn, in particular as to how the favourite and eventual winner was able to obtain a run to her inside. Jockey said that, although she was aware that she had the favourite to her inside, her mount was already under pressure at that point and was inclined to lay out under riding, resulting in her shifting wider on the track. Jockey was advised to ride her mounts in a competitive manner at all times and not leave herself open to query.
